

This course is intended to develop tactical shooting skills as applied to real life situations. It covers: shooting while moving, moving targets, limited visibility shooting techniques, instinctive shooting fundamentals, firing positions, cover and concealment, multiple targets, weak hand firing, reloading and malfunction techniques, and alternative shot placement for varying tactical encounters in a more stressful/realistic shooting environment.

The course also will include a review of the subjects covered in HG1.

Ammunition requirement: 2500 rounds (min).

Prerequisite: HG-II or equivalent.

Required equipment: Serviceable handgun (38 special/9mm caliber minimum); five extra magazines or speed-loaders; holster and mag. pouches fitted to belt; appropriate eye, ear, knee, and elbow protection; flashlight w/ pushbutton; clothing suitable for weather conditions.

Length/Cost: 3 days, \$750.

Dates: April 21-23, June 9-11, August 4-6, 2017

Notes: SMTC has a limited number of Glock 17 and 19- 9mm handguns for rent during the course if needed. Additional cost of \$100. Will be added to the course fee if you require a rental gun. The rental fee includes: Handgun, Holster, Magazine Pouch and 3 magazines. You will still be responsible for ammunition and a firm belt.
