

## High Risk Personnel (HRP)

STORM MOUNTAIN, INC.  
Training Division

This course was originally designed by the U.S. Marine Corps to train government personnel who are traveling overseas to high threat posts. SMTC has enhanced this instructional program to address the needs of government personnel, civilians and law enforcement officers.

The course is a compressive shooting program developed to give the student the skills necessary to defend against a terrorist or criminal attack. This course covers combat mind set, counter vehicle ambush techniques, basic through advanced firearms techniques with strong emphasis on the handgun, basic through advanced low light and flashlight training, counter assault techniques. Several of the scenarios in this course will be facilitated with man marking rounds and firearms conversion kits from UTM provided by SMTC.

### **Ammunition requirement:**

Handgun: -3000 rounds Live (min.)  
-UTM Ammo Provided by SMTC.

**Required equipment:** Semi-automatic handgun, 5 magazines, holster fitted to belt and magazine pouches, flashlight with push buttons, eye and ear protection, clothing suitable for adverse weather conditions.

### **Note:**

1. This course is both physical and stressful in nature. You should arrive at SMTC mentally and physically prepared for 5 full days of intense training.
2. This is a no refund / no course transfer program of instruction. If you have to cancel or drop from the course for any reason prior to or during, you will receive no monies back and will not be granted a course transfer.

**Prerequisite:** none

**Length/Cost:** 5 days, \$1500.

**Dates:** July 30-Aug. 3, 2018

**Notes:** SMTC has a limited number of Glock 17 and 19- 9mm handguns for rent during the course if needed. Additional cost of \$100. Will be added to the course fee if you require a rental gun. The rental fee includes: Handgun, Holster, Magazine Pouch and 3 magazines. You will still be responsible for ammunition and a firm belt.
